

Manage Your Benefits on the Go

Keep benefit information handy with provider apps. Download from the App Store or Google Play to an "Ameren Benefits" folder to keep these tools in one spot.

Ameren Provider Apps		
	Anthem Engage Medical Benefits	Your personalized health assistant to help you find in-network doctors, see plan balances and access your ID cards on the go.
	CVS Caremark Prescriptions	Refill and renew home delivery prescriptions, check order status, check drug prices and search detailed drug information.
	Delta Dental Dental Benefits	Delta Dental's mobile app provides access to your dental card, cost estimator tool for common procedures, a dentist search tool, and access to your dental claims.
	eConnect® (SupportLinc) Co-worker Support Services	eConnect® provides mobile access to secure and confidential counseling, as well as helpful resources on a variety of well-being and mental health topics..
	Fidelity (Net Benefits) Financial Management	Fidelity NetBenefits provides access to Ameren's 401(k), Health Savings Account, and Deferred Compensation Plans. View balances, performance, investments and more.
	LiveHealth Online Telemedicine (remote provider visits)	Choose and visit board-certified doctors, licensed therapists, lactation consultants, and more through live video on your smart phone, tablet or computer.
	Personify Health (Well-Being)	Personify Health (formerly Virgin Pulse) is the mobile app portal to access Ameren's Live Well program. View your step stats, your health habits, challenges and rewards all on the go.
	WageWorks (EZ Receipts) Flexible Spending Account Management	Health Equity/Wage Works EZ Receipts allows you to easily submit claims for health care and dependent care expenses. At registration your ID is the last 4-digits of your Ameren ID.
